*Jake is a retired engineer and the sole developer of the Northern Freemason website - a one man operation that was started in 2010 as a hobby and a bit of positive cognitive behavioral therapy which has since evolved into a near 'full time occupation'. His interests have evolved over time into the global condition of the Craft Lodge, Enlightenment of his fellow Brethren and technical development as it relates to esotericism and evolution of Freemasonry.*

*As of this submission, (May 2013) the Northern Freemason website boasts an average monthly visitation of over 6,000 and a Registered Membership of 700 Freemasons worldwide.*
